

Wedding Photography by Lightbox Studios

Your wedding will probably be one of the best and most amazing days of your life, and one that you will remember forever.

We want you to relax and enjoy your day, knowing that Lightbox Studios will capture the emotion and excitement of your special day in a collection of beautiful images that you can cherish forever.

All of our photographers are discreet but won't miss a thing! We are constantly working to make sure we capture the best photos of your day, without being intrusive!

Your photographs

Whether you want a handmade gallery-crafted wedding album, a presentation box of professionally printed photographs, or just a DVD of your wedding images, we have a selection of packages that suit all budgets and requirements. We also have a secure web service for all of your guests to access and view all of your photographs online!

The prices detailed overleaf are valid throughout 2010 and offer exceptional value for money. In fact, we will even hold the price for you if your wedding is in 2011 or beyond! All of the packages offer a comprehensive photographic service and are based on the amount of time spent with you on the day.

A little extra...

We like to give our wedding couples a little extra with our packages, so we include a variety of extra items just as a little thank you from us. Additional gifts (gallery books, canvasses, acrylic blocks etc) can also be purchased for family or friends.

Disks

A disk of your wedding photos will contain approximately 250 High Resolution photos (quite often more!), and will be supplied to you with a personal copyright extension, allowing you to have your own prints, posters or photo-gifts produced without risk of breaching Lightbox Studio's copyright.

Travel

We are prepared to travel to any destination to cover your wedding, although weddings outside Hampshire, Dorset or West Sussex may incur a small additional travel cost.

Booking Us!

A non-refundable deposit of £200 is required to secure all bookings. The remaining balance of the payment is required in full one month before the wedding date.

Finally...

...and most importantly, the wedding day is all about you! We will do everything in our power to make sure that you get a truly timeless set of beautiful photographs that capture every emotion on your special day.

I hope that this information pack will answer any questions that you may have, and also reassure you that great wedding photography needn't cost the earth!

It would be a pleasure to photograph your wedding, and I look forward to speaking to you soon!
